NYFA and Toscana Film Commission present:

SECRETS OF GREAT STORIES by Paul Brown

Cinema Odeon Firenze | November 5th, 2013 3pm-6pm

Paul Brown is an award-winning writer, director and producer, having worked in film and television for over twenty-five years. He recently directed, produced, and co-wrote the feature drama "Heaven's Rain," starring Taryn Manning and Mike Vogel. He has produced over a hundred hours of network television drama, pilots, and television movies, working on such series as The X-Files, Quantum Leap, Twilight Zone, Star Trek Voyager and Enterprise. He also co-created the Disney/ABC worldwide hit "Camp Rock," starring The Jonas Brothers.

With over thirty produced scripts, he has received three Emmy nominations, as well as winning the prestigious Edger Award from the Mystery Writers of America. He also received the Ark Trust's Genesis Award for animal rights.

His lecture, "**SECRETS OF GREAT STORIES**", will demonstrate how movies should not only entertain but can also have a power to transform and become a reflection of us. Through his lecture, he reveals key concepts such as "The Power of Desire", "Exploring the Character's Hidden Inner World", "The True Meaning of Storytelling", and the "Miraculous Transformation of Love".

- **POWERFUL DESIRES**
